

CLIMATE ATTITUDE PROJECT

IIS LS PICCOLO OF CAPO D'ORLANDO took part in the "Green Tech Project" of Integrated Education for Environment and Legality, organized by the Regional Province of Messina for the defense and protection of the Environment.

The students of IIS LS Piccolo of Capo d' Orlando won the First Prize for Secondary School Students in the Province of Messina, for the "SPOT" Category.

The excellent students LUCA SINAGRA, BASILIO MAROTTA, GABRIELE MAROTTA, GIANLUCA MAROTTA and DANIEL SCAFFIDI, coordinated by Teacher CARUSO MARGHERITA (Math Teacher and Erasmus Plus Project Team), carried out a Commercial Advertisement about the importance of the correct lifestyles.

"Small daily gestures do not alter our lifestyle but make the difference in consciously monitoring each action of our life"
