

Welcome to
Capo D'Orlando

Capo D'Orlando is an Italian town in the province of Messina in Sicily.

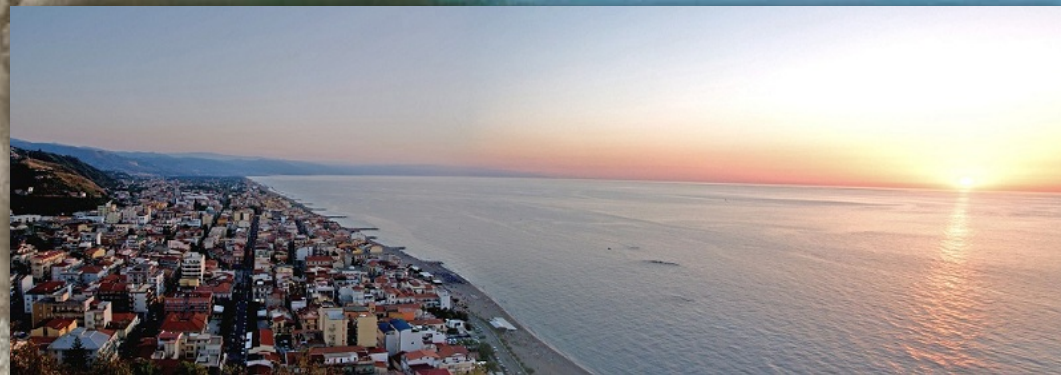

It's an economic and artistic center, in fact you can visit the museum "Villa Piccolo"...

...and the Bastione Castle.

In summer it's an important tourist center, because it has the fantastic coasts with clear waters and attractions for people of every age.

This is our high school

The Scientific High School is established in 1964, with an adjacent section of the Classic High School.

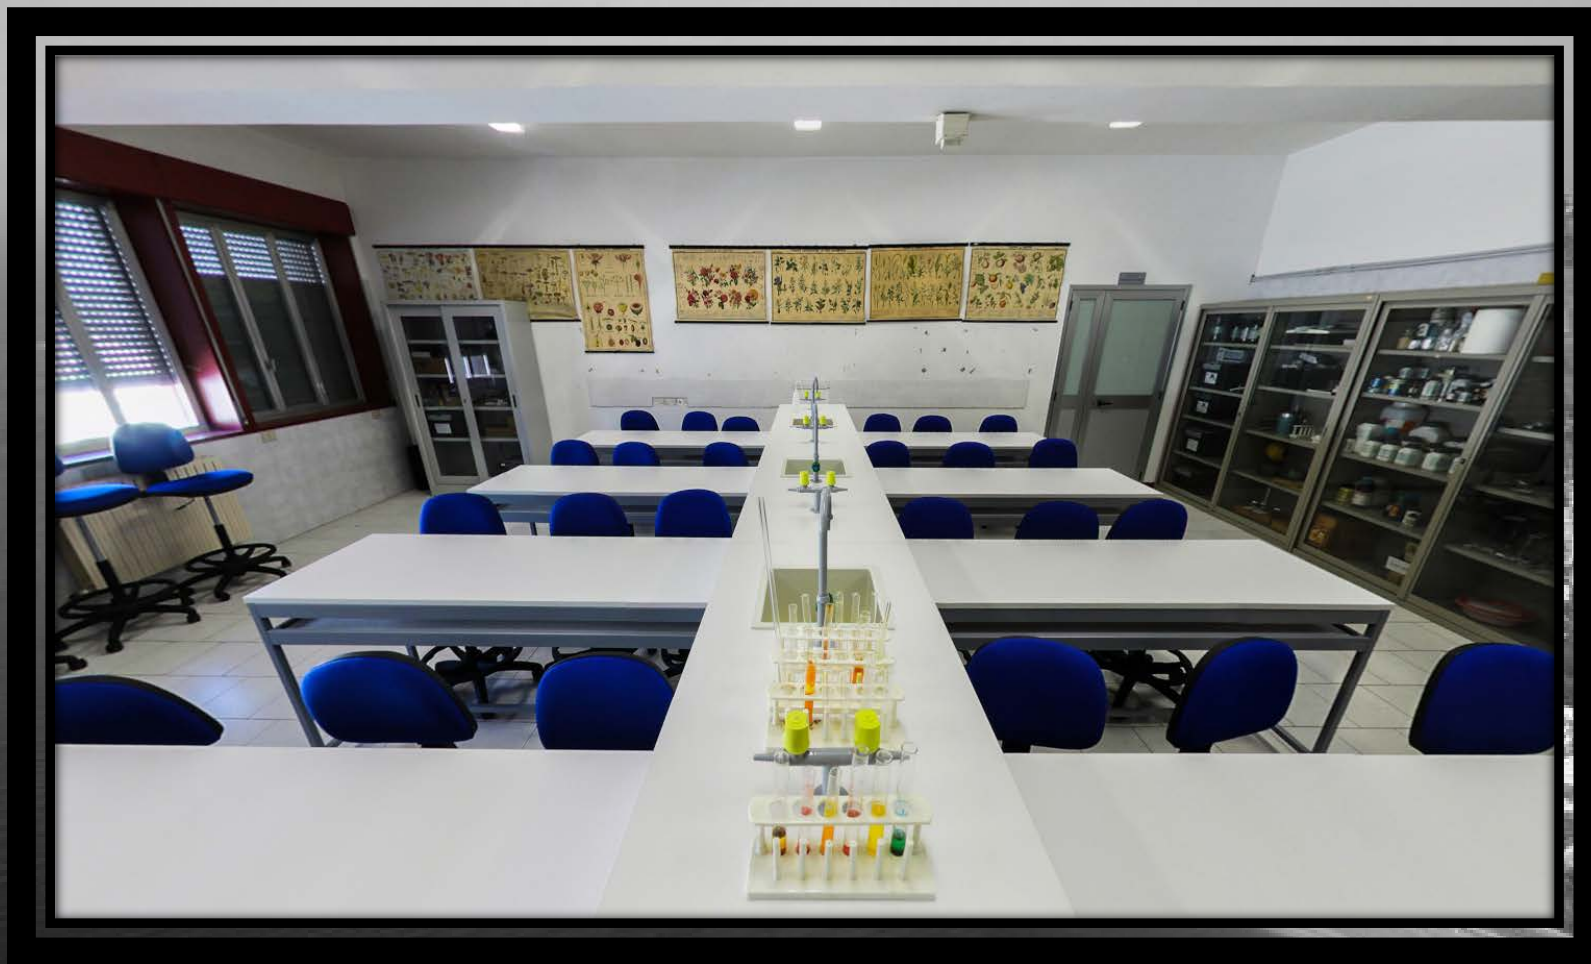

**In the school year 2013/2014
it becomes Institute of Higher
Secondary Education,
associated with the Art School
and the IPAA - Dental of
Capo d'Orlando.**

In the school year
2014/2015 new syllabi are
added: Language, Sports
and Applied Sciences.

And these are our laboratories: CHEMISTRY
